

# KILLIGREW NEWS

22nd March 2024

Dear Parents/Carers,

We have added lots of information this week about external services that may be useful for you and your family.

Don't forget that this term ends on Thursday 28<sup>th</sup> March. Next Thursday is also our Easter hat parade. We look forward to seeing the children wearing a decorated Easter or Spring hat. There will be a prize for the best hat!

As usual, school will close one hour early on the last day of term. I hope that you have a very enjoyable break and look forward to seeing you and the children on Monday 15<sup>th</sup> April.

Kindest regards,

T. Mylotte  
Head teacher

## Attendance

Well done to Eagles for the highest attendance for the second week running!

Class	Attendance
Eagles	99.6%
Hummingbirds	97.8%
Firecrests	97.3%

Toucans	95.0%
Nightingales	94.3%
Cardinals	93.4%
Skylarks	91.0%
Peacocks	90.0%
Kingfishers	89.6%

## Science Week 2024

This year, the theme of British Science Week was 'Time'. We started off the week with an exciting assembly show led by Lightning Lauren from Mad Science, who took us through some fascinating scientific discoveries and demonstrations. Thank you to the PTA for funding this experience - the children really enjoyed it!

Throughout the week, the children focused on 'observing over time' and enjoyed working scientifically together in their classes. They also travelled back in time to learn about a key scientist in history.

On Thursday, KS2 were visited by Dr Gray from St Albans School who led another thought-provoking assembly featuring some very exciting demonstrations involving elephant toothpaste and fire.

Year 6 were then lucky enough to take part in a workshop on evolution where they examined real animal skulls and learnt more about Darwin's finches.

Thank you very much to Miss Pepper for organising Science Week.

## Families First

Families First is the term used in Hertfordshire for services that work together to support families who need extra help.

We all experience difficulties at some point. Families First can help you find early help and information to prevent issues from getting worse.

If you need more help than your usual support network e.g. your health visitor, school, doctor or family centre, Families First can work with you and your family to create a package of support.

<https://www.hertfordshire.gov.uk/microsites/families-first/families-first.aspx>

## School Meals

The cost of a school meal will be £3.35 from next term.

## School Nursing Team

The school nursing team are having their first live Q&A on Instagram. This will take place during the Easter Holidays, on 10<sup>th</sup> April 2024.

Two school nurses will host the session and will be able to answer questions submitted on the day. The session is aimed at parents and children who have questions about their service or health and wellbeing. Please see the attached leaflet for further information.

## Health News

The link below contains useful advice and guidance on common illnesses that may affect families this spring as well as some information for young people across Hertfordshire.

[SPRING Healthier Together Newsletter \(hwehealthiertogether.nhs.uk\)](https://hwehealthiertogether.nhs.uk)

## Local Roads

If you park in the local roads, please can you check carefully to ensure that you have not parked on the grass verge. Due to the amount of wet weather, the grass gets churned up quickly and will take a long time to repair. Many thanks.

## PTA News

Thank you for all your amazing support this term - the Wonderlicious Chocolate sale raised £725 while Year 2's cake sale brought in another £237.15!

Remember to join us for the Egg-tastic Easter Event after school on Wednesday 27<sup>th</sup> March - details on the attached poster. If you are able to volunteer to help on the day please go to <https://volunteersignup.org?RFDT8> or let your class rep know.

## Free School Meals

If your circumstances have changed, you may be interested in the following information regarding free school meals for your child. [Free school meals](#)
