24th October 2024

Dear Parents/Carers,

We are looking forward to seeing you at our Poetry Busk tomorrow morning. The children have been busy practising their poems and when I visited the classrooms, they sounded fantastic!

I hope that you have a very enjoyable half term break-we look forward to seeing you and the children on Monday 4th November.

Kindest regards,

T. Mylotte Head teacher

Winter Reads Challenge

Winter Reads is returning from Friday 1st November to Saturday 31st January. This initiative aims to encourage people of all ages to engage with reading during the winter months through a series of fun challenges and fantastic events.

The goal of the Winter Reads Challenge is to complete six different reading challenges over the winter. As reading preferences vary, the challenges are designed to be adaptable.

For less avid readers, the challenges are simple and achievable e.g. complete two challenges with one book. For those who love a challenge, there is the Wild Card challenge, where children can create their own reading goals. The challenge is open to all ages, so families can take part in the Winter Reads together.

Those who complete all six challenges by Saturday 31st January will be entered into a prize draw to win an iPad. The challenge is FREE, you just need to be a library member.

We hope that the challenge will not only foster a love of reading but also provide a fun and engaging activity for all during the winter months.

Lost Property

We have acquired a huge amount of lost property that is mostly unnamed. It is stored in the lobby in both the infant and junior buildings. Pease pop in to see if any of it belongs to your child as we would far rather you get it back than it being recycled.

Help your Y4 child with maths

We are pleased to offer a times table workshop for Y4 parents on Thursday 14th November at 2:30pm. The session will focus on sharing practical ideas and strategies to help support your child learning times tables at home.

As you may know, by the end of Year 4, children are expected to know all the times tables up to 12x12. The session will provide an opportunity to:

- Explore fun and engaging ways to practise times tables at home.
- Learn about resources and activities to make learning easier.
- Discuss any challenges your child may be facing and how we can work together to overcome them.

Your involvement is crucial in helping your child gain confidence with their multiplication skills, and we look forward to sharing ideas that can make a real difference. We hope to see you there! (Year 4 Team)

Secondary Transfer 2025

Don't forget that the deadline for applications to secondary school for 2025 is Thursday 31st October 2024. **We recommend that parents complete the application by tomorrow**, so that any queries can be dealt with by the admissions team ahead of the deadline.

Please apply online at

www.hertfordshire.gov.uk/admissions
Any applications received after Thursday
31st October 2024 will be considered
as 'LATE' applications and are considered
after all the on-time applications.

This information applies to children who are currently being educated outside of their normal cohort, i.e. those in Y5 but are chronologically Y6. Parents/carers may need to make an application now with a request to delay the application to September 2026.

Times Tables Rock Stars

If your child is using Times Tables Rock Stars, it is important that you use the latest versions of the app and website to ensure your child has the most secure, feature-rich and enjoyable experience.

If you use the website, please visit play.ttrockstars.com/reset to load the latest version in your device's browser. If you use the Times Tables Rock Stars app please update it via the app store.

Communication

There are many exciting opportunities for pupils in school each week and the office team aim to give you all the relevant information in the email communications that are sent out. At this busy time of year, it would be really helpful if you could read the entire communication before contacting the school office team with questions.

Half Term Challenge

Do you know how to juggle? Do you want to learn how to juggle? Use this half term to give it a go. All you need is either 3 small balls or use pairs of socks rolled into balls instead.

Please send in a video of your attempt at juggling via Google Classroom (Tapestry for Nursery and Reception). I will create a reel to showcase our juggling skills across the school. Don't worry if you can't use 3 balls. Can you do it with 2?

I would love to see all your videos but will only use videos of children who have permission to be on our Instagram page. Please use Arbor to check your consent for this.

If you would like any tips on how to do this challenge, head to our school Instagram page (@killigrewprimaryschool) where you will find our resident expert Mrs Raynes with a very helpful video!

Please send in any videos by Friday 8th November. Happy juggling! (Miss Walsh)

Sports News

On Tuesday, eight Y5 and Y6 girls had a great afternoon playing in a tag rugby festival. For many of us, it was the first time we had played a tag rugby game. We were very lucky that it was a crisp, autumnal day and the sun was shining!

Young leaders from Roundwood School ran a round robin of activities linked to the different rules and skills used in a game. We then went into a small tournament where we put these skills into practice in a game. The children played so well and used their pace and dodging skills to score tries. Well done Evie, Matilda, Joni, Verity, Elsie, Lexi, Willow and Alice.

Netball Match Killigrew v St Bernadette's (10.10.24)

The team did amazingly well for our first match. Verity played GK (Goalkeeper); she was excellent at blocks and passing. For the first two quarters, Lexi played as GD (Goal Defence); she was outstanding. She was always spreading out and making good passes. After that, Millie was in for the last two quarters as GD. She was fabulous- blocking people and looking to see where to go. Alivia, Lexi and Leila were WD (Wing Defence), Leila was in the first quarter and Alivia was in for the second and third quarter, and Lexi took the last quarter. Lexi was great; constantly looking for space and calling for the ball. Leila was making the right

passes and decision about where to go. Alivia was marking her player and calling for the ball. The WAs (Wing Attacks) were Darcey and Leila; they were both spectacular looking for space and doing wonderful blocks. Joni was C (Centre), she was running up and down fighting for the ball and making the right decisions on where to go. Juliette was playing GA (Goal Attack)-she was making amazing shots and she scored a goal for the team. Lastly, Daisy was playing GS (Goal Shooter), and she scored two astonishing goals. Sadly, we lost 11-3 but it is the team's first game, and we are positive that we will do better the next couple of games and hopeful that we will win! Thank you for reading. By Alivia F

On Monday 14th October Killigrew played netball against How Wood. We played at Killigrew and won. The match ended 10-0 to Killigrew. Daisy was the captain of the team and got player of the match. The people who played were Millie, Alivia, Daisy, Darcey, Joni, Lexi, Verity and Evie. We had one player off the court at all times and swapped every quarter way through. The Killigrew team all played much better than when we played against St Bernadette's earlier in the term.
