

# KILLIGREW NEWS

2<sup>nd</sup> February 2024

Dear Parents/Carers,

*It doesn't seem possible that we are nearly half way through this academic school year! You are probably aware that the mid-year Parent Teacher Consultation meetings are coming up just before half term. The booking system opens on Sunday and the admin team are sending out further information to you so get in quickly to book your preferred face to face or virtual slot.*

*Kindest regards,*

T. Mylotte  
Head teacher

## Eco Council

This year, our Eco Council is working on the RSPB Wild Challenges. Their next chosen challenge was to take part in the RSPB Schools' Birdwatch. Please see the Eco Council's latest newsletter which is attached.

## Measles

We have received the following information from the Hertfordshire Community NHS Trust.

*We are currently seeing outbreaks of measles across England. We know that more than 3.4 million children under the age of 16 years are not fully vaccinated against measles and are at risk of catching this serious and completely preventable disease. For every 1000 children who catch measles, between 1-2 will die. This is a highly infectious disease.*

*Pregnant women are at higher risk of developing serious complications from measles and should speak to their GP as soon as possible if they have been exposed to measles.*

*Parents can check their child has had both MMR vaccinations with their GP, on the NHS app or in their child's red book. Catch up vaccines are available via a GP or the School Aged Immunisation Service (details below). GPs, the immunisation service and the school nursing team are happy to discuss the MMR vaccine with any parents who have questions or concerns*

## Staff Update

We are pleased to welcome Mrs Harper who is joining our teaching assistant team next week. She will be working in Y3 initially.

## Safer Internet Day

On Tuesday 6th February, we will be joining schools and youth organisations across the UK in celebrating Safer Internet Day 2024.

Safer Internet Day is a global campaign to promote the safe and responsible use of technology, which calls on young people, parents, carers, teachers, social workers, law enforcement, companies, policymakers and more, to help to create a better internet.

This year the campaign will be focusing on change online; this includes covering:

- Young people's perspective on new and emerging technology
- Using the internet to make change for the better
- The changes young people want to see online
- The things that can influence and change the way young people think, feel and act online and offline

Using the internet safely and positively is a key message that we promote in school and celebrating Safer Internet Day is a great opportunity for us to re-emphasise the online safety messages we deliver throughout the year.

We would be delighted if you could join us in celebrating the day by continuing the conversation at home. To help you with this, the UK Safer Internet Centre has created some free activities and information for parents and carers which are available at:

[www.saferinternet.org.uk/SID-parents](http://www.saferinternet.org.uk/SID-parents).

Whether you have 5 minutes to start a conversation or hours to spare, there are top tips, quizzes and films which you can use at home with your child.

If you have any concerns or questions about keeping your child safe online, please do get in touch with your child's class teacher/myself or Miss Mylotte, our Designated Safeguarding Lead.

## Feel Good Week

Killigrew is taking part in Feel Good Week 2024 next week. Feel Good Week takes place annually, supporting schools approaches to wellbeing, health and achievement.

This year's theme is, 'Your voice matters.' The children will be participating in a number of activities throughout the week that promote everyone having an opportunity to share and discuss their ideas and opinions.

Please see the attached document for ideas and activities to support your child at home. Look out for photos of our week on our X page (formerly known as Twitter).

## Mayoral Visit

Just before Christmas, we were pleased to welcome Cllr Anthony Rowlands, The Right Worshipful the Mayor of the City and District of St Albans.

The children learnt that when addressing the Mayor, they should say Mr Mayor or (more formally) Your Worship. They learnt the first Mayor of St Albans was John Lockey in 1553, that Councillor Anthony Rowlands is the 479th Mayor of the City and District of St Albans and that he chairs meetings of the Council, visits places and attends events.

The children were impressed with the mayor's robes and mace but were surprised that he does not live in a palace!

## **PTA News**
