

KILLIGREW NEWS

9th June 2023

Dear Parents,

I thought you might like to see the letter we recently received from the Department for Education.

Department
for Education

Dear Miss Mylotte,

I am writing to congratulate you on your school's achievements in the 2022 multiplication tables check.

Your average pupil score of 24 out of 25 makes Killigrew Primary and Nursery School one of the top 200 performing schools in England for the multiplication tables check.

The excellent achievement of your pupils is something the Government hopes to see replicated in schools across the country. Knowing times tables is vital for school and day-to-day life. Recalling multiplication and division facts up to 12x12 is important for progression in maths. That is why we recently introduced these checks, as a helpful tool for teachers to identify those pupils who need extra support.

I would like both to congratulate your staff and pupils for their hard work and success and to thank you for your leadership in continuing to promote the important subject of mathematics.

Yours sincerely,

The Rt Hon Nick Gibb MP
Minister for Schools

Very well done indeed to last year's Y4 children and their teachers for their hard work in achieving such excellent results.

I hope that you have a very enjoyable weekend now that the sun has arrived!

Kindest regards,

T. Mylotte
Head teacher

Knex Workshop

On Wednesday, Y6 were fortunate enough to participate in a K'Nex Challenge involving 150 schools. We learnt about STEM careers before beginning the challenge. In pairs, we had to work together to make a mechanical structure.

We had to use our DT knowledge of pulleys and gears to help us. It was a fantastic workshop and really helped our collaborative and communication skills as well as providing us with real life experience of STEM.

national Ready, Set, Read website can be found at www.hertfordshire.gov.uk/libraries

School Uniform Reminder

Please ensure that long hair is tied back with a small, plain coloured hair bobble or hair band, unless there is a medical reason. Any earrings should be flat to the ear and removed or taped on PE days. Children should wear shoes not trainers-summer shoes must be closed toe and ideally have a T-bar/ankle strap. Here is a link to the uniform policy on our website.

Y5 South West Herts Consortium

Don't forget that the closing date to register your child for the SW Herts Consortium academic and music tests is Friday 16th June.

Summer Reading Challenge 2023

Hertfordshire Library Service is delighted to announce Ready, Set, Read, the Summer Reading Challenge 2023. It is designed to keep children reading over the summer holidays and helps to maintain reading levels ready for the start of the next academic year.

Children are encouraged to read six library books of their choice during the school holiday, returning to their local library to share what they have been reading with staff and volunteers.

Each participant receives a themed folder and is awarded stickers for every book they read. Children who complete the challenge are presented with a certificate, a medal and a special finishing gift.

The theme for 2023 focuses on participation in shared sports and activities and aims to keep children's minds and bodies active.

Ready, Set, Read packs will be available in Hertfordshire libraries from Saturday 8th July. Further information on the Summer Reading Challenge in Hertfordshire and a link to the

Early Years Admission Forms

If you have a child joining us in Nursery or Reception in September, please return their admission form and associated paperwork to us as soon as possible.

Children's Wellbeing Workshops

The HCT Children's Wellbeing Practitioners regularly run a variety of workshops focused on child and adolescent emotional wellbeing and mental health. Some workshops are for the parents/carers of primary school aged children and others are directed at adolescents, although parents can also attend these. The workshops aim to provide support, guidance, some strategies and tips to support child and adolescent mental health.

The workshops are free to attend and currently take place on Microsoft Teams. The workshops available can be found on the Children's Wellbeing Practitioners Eventbrite page, where you can also find out more information about what the workshops will cover and book a place.

PTA Update

Hello, Parents and Carers!

A new PTA is in the process of forming. Eight parents have stepped forward to be on the committee (more details about us to follow) and the AGM is being held on Monday June 19th at 1.30pm: all welcome. After that, Killigrew will have an active PTA again. It will only be sustainable with your support, so please contact KilligrewPTA@gmail.com or message us on Facebook: 'Friends of Killigrew PTA' if you can offer to help in any way. Sincere thanks to anyone who has already offered to volunteer in some capacity: rest assured you are on a list and will be contacted as events become more numerous.

Keep your eyes on the noticeboards, future newsletters and year group WhatsApp groups for details of events this term. We'll be:

- honouring the cake sales already on the calendar*
- running £1 ice cream sales on Fridays after school outside the infant office for the rest of the term (16/6; 23/6; 30/6; 7/7; 14/7)*
- serving refreshments at infants sports day*

We need volunteers to help with each of these, so please engage with Year Group Reps when you hear from them and/or send us an email or Facebook message using the details mentioned above if you can spare a little time.

We are looking forward to getting some events going for our community to enjoy. Hope you'll

join us on the journey and together we'll be able to raise much needed funds for the school.
PTA

Hot Weather

Please remember sunscreen, hats and water bottles next week.

Free School Meals

If your circumstances have changed, you may be interested in the following information regarding free school meals for your child.

KS2 Sports Day Report

On Sports Day this year there were many fun and enjoyable activities to participate in with your house teams. Before the event, in PE, we took part in javelin, long jump and 600m races. These contributed to the final scores. Some of the exciting games the juniors played were the netball shoot, hurdles and football shoot. All of these activities were inclusive, so no one was left out and everyone had a good time. Some activities required a lot of skill and attention including the quoit toss, the sprints, beanbag toss and the tennis relay.

If you had come 1st, 2nd or 3rd in your sprints, you would be put forward for the sprint finals. The Year 3's and 4's had a relay final, and the Year 5's and 6's had a sprint final. There was also a Year 5 girls relay, Year 5 boys relay, Year 6 girls relay and Year 6 boys relay. The rest of us cheered our houses on.

After sports day, we came back together to reveal the results:

*Aylward came 4th, Wilberforce came 3rd
Barnardo came 2nd and Shaftesbury were this year's winners .*

We would like to thank all the parents and family members that came to support us.

Written by Josef, Y6 Peacocks
