

Poetry Busk Thursday 7th October

We are pleased to be able to invite parents to watch their child perform in our annual 'Poetry Busk.' As you may be aware, last year's 'busk' took place remotely, but as government guidance has changed, we will welcome parents/carers onsite for this outdoor event.

Children will perform a poem and will be busking for donations for new guided reading books. You will be able to make an online donation to the value of your choice (as we are a cash free school) via 'School Gateway'. This is available via the App or in the 'really useful' links on the school website.

As this is an outdoor event, we ask pupils to be prepared for the elements by bringing in a raincoat. Class teachers will inform parents about the props or costumes needed for the day. Please be assured we do not expect parents to purchase new items, and all prop/costume suggestions will take this into account. Parents and other relatives will need to go to the area outside the Infant dining room to sign in. Please continue to observe social distancing guidance. As our younger children are new to this event, Nursery and Reception children will only perform once to their parents. All other year groups will perform their poem to parents and other classes for the hour.
