Dear Parents,

At Killigrew, we are passionate about reading and developing a love of literature with our pupils. We would like all children to read widely and often, becoming confident and fluent readers.

As parents, we know how invested you are in ensuring your child learns to read and develop positive reading habits. For this reason, we have organised reading meetings for parents to give you the tools to support your child at home. It would be wonderful to see as many parents as possible attend these meetings to share our message about the importance of reading and helping your child to learn at home.

There are 2 separate meetings available to attend. The first will focus on early reading – reading to and reading with your child. The second will focus on comprehension skills and reading with fluency for more confident readers.

Meetings dates are as follows:

Early years and lower KS1 Monday 26th September 9.00am-9.30am

Upper KS1 and KS2 Monday 10th October 9.00am-9.30am

We look forward to seeing you.

Thank you,

Killigrew English Team
