Dear Parents / Carers,

We would like to inform you that Year 2 children will be taking part in a Scooterbility session on **Thursday 9th May 2024**. These sessions will be during the school time and will be run by the Hertfordshire County Council Active and Safer Travel Team.

Each session will run for approximately **30 minutes** on the school playground. The children will be learning about controlling their scooters safely, basic pedestrian skills and sharing space with others.

To participate in these sessions each child will need a scooter which must be of the standard two or three wheeled type with a rear wheel brake. V-Flex motion scooters are not permitted.

If you are willing to lend your child's scooter to another child, please let the school know in advance of the session taking place.

Hertfordshire County Council **strongly supports** the wearing of helmets during these sessions.

Thank you for your support
